

Article Number: 025716      13P/12V Socket (ISO 11446)

Categories	Socket , Accessories
Standards	ISO 11446
Industries	Cars

Electrical Details and Temperature Resistance

Voltage [in V]	12
----------------	----

Design Features

Design/Version	flat design
----------------	-------------

Miscellaneous

Suitable for	receptacle housing (part no. 025696)
--------------	--------------------------------------

Connectivity

No. of poles	13
--------------	----
