| Brand       | JAEGER Expert                                                                                                           |

### Electrical Details and Temperature Resistance

|                |    |
|----------------|----|
| Voltage [in V] | 12 |
|----------------|----|

### Packaging and Order Details

|           |                   |
|-----------|-------------------|
| Packaging | without packaging |
|-----------|-------------------|

### Miscellaneous

|                    |                 |
|--------------------|-----------------|
| Product supplement | 100% waterproof |
|--------------------|-----------------|

### Material

|                 |             |
|-----------------|-------------|
| Contact surface | nickel (Ni) |
|-----------------|-------------|

### Connectivity

|                              |                |
|------------------------------|----------------|
| Contact termination          | crimp contact  |
| Contact version              | contact sleeve |
| No. of poles                 | 07 , 13        |
| Production method of contact | punch contact  |

### Measures and Dimensions

|                                               |      |
|-----------------------------------------------|------|
| Contact: for max. wire cross section [in mm²] | 2,50 |
| Contact: for min. wire cross section [in mm²] | 1,50 |
