7+6P/12V Socket (NEN 6120)

|            |          |
|------------|----------|
| Categories | Socket   |
| Standards  | NEN 6120 |
| Industries | Cars     |

Electrical Details and Temperature Resistance

|                |    |
|----------------|----|
| Voltage [in V] | 12 |
|----------------|----|

Packaging and Order Details

|           |                   |
|-----------|-------------------|
| Packaging | without packaging |
|-----------|-------------------|

Design Features

|          |                            |
|----------|----------------------------|
| Branding | ERICH JAEGER               |
| Switch   | micro switch "change over" |

Material

|                  |                      |
|------------------|----------------------|
| Cover material   | reinforced composite |
| Cover version    | with seal            |
| Housing color    | black                |
| Housing material | reinforced composite |

Connectivity

|                       |               |
|-----------------------|---------------|
| Contact termination   | screw contact |
| No. of poles          | 07+06         |
| Outlet open or closed | n.a.          |
