

Article Number: 141145 7P/24V parking socket (ISO 25981)

Categories	Accessories , Socket
Standards	ISO 25981
Industries	Commercial vehicles

Electrical Details and Temperature Resistance

Voltage [in V]	24
----------------	----

Design Features

Branding	ERICH JAEGER
Special feature	with reinforcement bushings
Type of accessory	parking socket

Material

Cover insert color	blue
Cover material	reinforced composite
Housing color	white
Housing material	reinforced composite

Connectivity

No. of poles	07
--------------	----
