Datasheet

Article Number: 383405 7P/24V Seal (ISO 25981)

Categories	Accessories , Plug
Standards	ISO 25981
Industries	Commercial vehicles

Electrical Details and Temperature Resistance

Design Features

Type of seal	bending protection grommet	
--------------	----------------------------	--

Connectivity

No. of poles	07
Outlet open or closed	n.a.

Measures and Dimensions

For cable diameter	10,70mm - 12,00mm	
--------------------	-------------------	--
