

Article Number: 101332      7P/12V Socket (SAE J560 Primary)

Categories	Socket
Standards	SAE J560
Industries	Commercial vehicles

### Electrical Details and Temperature Resistance

Voltage [in V]	12
----------------	----

### Material

Contact surface	nickel (Ni)
Cover material	proof metal
Housing color	black
Housing material	reinforced composite

### Connectivity

Contact termination	screw contact
No. of poles	07

### Norms and Standards

Addition to standard	Primary
Protection	IP 44
