7+4P/12V Combo-Socket (SAE J1239, SAE J2863)

|            |                       |
|------------|-----------------------|
| Categories | Socket                |
| Standards  | SAE J1239 , SAE J2863 |
| Industries | Cars                  |

### Electrical Details and Temperature Resistance

|                                |              |
|--------------------------------|--------------|
| Temperature resistance [in °C] | -40.0 - 85.0 |
| Voltage [in V]                 | 12           |

### Packaging and Order Details

|                      |                           |
|----------------------|---------------------------|
| Included in delivery | mounting bracket , screws |
| Packaging            | bulk packaging            |

### Design Features

|                 |   |
|-----------------|---|
| Branding        | ERICH JAEGER                                  |
| Special feature | for horizontal mounting , with water drainage |

### Material

|                  |                      |
|------------------|----------------------|
| Contact surface  | tin (Sn)             |
| Cover material   | reinforced composite |
| Housing color    | black                |
| Housing material | reinforced composite |

### Connectivity

|                              |                 |
|------------------------------|-----------------|
| Contact termination          | plug-in contact |
| Features of plug-in contacts | flat terminal   |
| No. of poles                 | 04 , 07         |

### Measures and Dimensions

|                          |                      |
|--------------------------|----------------------|
| Size of plug-in contacts | 1 x 6.3mm, 6 x 2.8mm |
|--------------------------|----------------------|
