4P/12V socket pigtail kit "JAEGER Expert" (SAE J1239)

|            |               |
|------------|---------------|
| Categories | Socket        |
| Standards  | SAE J1239     |
| Industries | Cars          |
| Brand      | JAEGER Expert |

### Electrical Details and Temperature Resistance

|                                |              |
|--------------------------------|--------------|
| Temperature resistance [in °C] | -40.0 - 85.0 |
| Voltage [in V]                 | 12           |

### Packaging and Order Details

|                      |                                    |
|----------------------|------------------------------------|
| Included in delivery | contact insert with 4 single wires |
| Packaging            | PE bag                             |

### Design Features

|                 |                     |
|-----------------|---------------------|
| Branding        | ERICH JAEGER        |
| Special feature | hinge location left |

### Miscellaneous

|                    |                 |
|--------------------|-----------------|
| Product supplement | 100% waterproof |
|--------------------|-----------------|

### Material

|                      |                      |
|----------------------|----------------------|
| Contact insert color | black                |
| Contact surface      | nickel (Ni)          |
| Cover material       | reinforced composite |
| Housing color        | black                |
| Housing material     | reinforced composite |

### Connectivity

|                     |               |
|---------------------|---------------|
| Contact termination | crimp contact |
| No. of poles        | 04            |

### Norms and Standards

|            |                |
|------------|----------------|
| Protection | IP X7 , IP X9K |
|------------|----------------|

### Measures and Dimensions

|                           |                      |
|---------------------------|----------------------|
| American Wire Gauge (AWG) | 1x 16 AWG, 3x 18 AWG |
| Cable length [in m]       | 0,20                 |
| Wire cross-sectional area | 1x 1mm², 3x 0.8mm²   |
