

Article Number: 211005 7P/24V Plug (ISO 3731 - Type S)

Categories	Plug
Standards	ISO 3731 - Type S
Industries	Commercial vehicles

Electrical Details and Temperature Resistance

Voltage [in V]	24
----------------	----

Design Features

Strain relief	with strain relief
---------------	--------------------

Material

Contact insert color	white
Housing color	silver-colored
Housing material	break-proof metal

Connectivity

Cable outlet	bending protection grommet
Contact termination	crimp contact
No. of poles	07

Norms and Standards

Protection	IP 44
