| Price exclusive of VAT [€] | 145                                                                                             |

### Electrical Details and Temperature Resistance

|                |    |
|----------------|----|
| Voltage [in V] | 12 |
|----------------|----|

### Packaging and Order Details

|           |               |
|-----------|---------------|
| Packaging | cardboard box |
|-----------|---------------|

### Miscellaneous

|                     |   |
|---------------------|---|
| Further information | – |
|---------------------|---|

### E-Kit features

|                                          |                                                                    |
|------------------------------------------|--------------------------------------------------------------------|
| Activation required                      | No                                                                 |
| Charging line                            | Yes, with extension kit 2 or 3 (part.no. 721074 or 721077)         |
| Deactivation park distance control (PDC) | With switch                                                        |
| Indicator monitoring                     | Jaegertronic                                                       |
| Installation time in min. (ca.)          | 60–90                                                              |
| LED compatible                           | Yes (by using the alternative control device with part.no. 321331) |
| Steady plus                              | Yes, with extension kit 1 or 3 (part.no. 721075 or 721077)         |
| Suitable for left-hand drive             | Yes                                                                |
| Suitable for right-hand drive            | Yes                                                                |

### Spare Parts

|                                              |        |
|----------------------------------------------|--------|
| Spare part - socket seal for straight outlet | 035047 |
| Used socket                                  | 121111 |
| Used socket housing                          | 381065 |

### Connectivity

|                                         |          |
|-----------------------------------------|----------|
| Connection to vehicle electrical system | Rear     |
| No. of poles                            | 13       |
| Socket connection                       | Screw-on |

### Measures and Dimensions

|                      |       |
|----------------------|-------|
| Gross weight [in kg] | 1,140 |
|----------------------|-------|
