15P cable (without plug/socket)

Categories	Cable , Accessories
Standards	without standard
Industries	Commercial vehicles
Brand	Euro 6

Electrical Details and Temperature Resistance

Temperature resistance [in °C]	-40.0 - 125.0
--------------------------------	---------------

Packaging and Order Details

Package unit	m (meters)
Packaging quantity	1

Design Features

Special feature	125°C "Euro 6" version
-----------------	------------------------

Miscellaneous

Product supplement	125°C
--------------------	-------

Material

Cable color	black
Material of cable	PUR

Connectivity

No. of connected plugs	0
No. of connected sockets	0
No. of poles	15

Measures and Dimensions

Cable length [in m]	25,00
Gross weight [in kg]	8,45
Outer cable diameter [mm]	13,80
Wire cross-sectional area	12x 1.5mm² + 3x 2.5mm²
